

Diamanto

Descriere Diamanto 2*

This holiday apartment complex is located in Karavomylos, a peaceful beach village two kilometres from Sami and its port. The famous Melissani Lake is only 500 metres from the hotel, and Drogarati Cave is four kilometres away. The complex consists of studios, apartments and maisonettes, perfect for groups or families travelling together and looking for a little extra space to stretch. Each has a kitchenette with refrigerator so that guests can prepare home-cooked meals as well as free wireless internet and parking facilities.
